

XTREME™
Traffic Cleaner Series

4 High Intensity 1-Watt LEDs

4 High Intensity 1-Watt LEDs

4 High Intensity 1-Watt LEDs x2

NEW PRODUCT

XTREME lighting has just gotten better; it's the NEW TCS-XTREME LED modules.

The super-wide angle optics is now available in a small package.

The flange is available in TALL or SHORT or DUAL version, and in BLACK or CHROME finish. And with the popular side-by-side split flashing, this could be the product of the year!

FEATURES

- Waterproof - can be installed in all places
- Built-in Selectable Flash Patterns
- With side-by-side **Split Flashing**
- Multi-Module Synchronization
- Flange type available in Tall or Short or Dual
- Flange color available in Black or Chrome
- LED Colors: Amber, Red, Blue, Green, White
